## **MISSION STATEMENT**

### **Admission of Pupils with Disabilities**

Children are admitted to St Charles RC Primary School according to the Salford Local Authority's admission policy. Pupils with disabilities have their level of need assessed by the school in consultation with the child's parents, the local authority and health agencies prior to entry to ensure the school's physical environment and the appropriate resources (materials and personnel) can meet the child's needs.

The school already has experience in developing a range of strategies to meet academic, emotional, behavioural, medical and physical needs. These include additional adult support, not only in the classroom but also at lunchtime and on school trips, specialist resources, differentiation of lessons and the use of different teaching methods. Outside agencies often give advice in relation to more significant needs. All practical steps are taken to ensure that disabled children fully participate in everyday activities.

To ensure the school continues to be proactive in the provision for those with disabilities it frequently reviews its ability to educate those with disabilities. We then revise the School Development Plan. It also reviews the individual pupils who will be on roll in advance of each new academic year to evaluate need and formulate a plan to ensure appropriate levels of provision are made.

### **Equalities Statement:**

St Charles RC Primary School is committed to valuing diversity and to equality of opportunity. We aim to create and promote an environment in which pupils, parents and staff are treated fairly and with respect, and feel able to contribute to the best of their abilities. The Governing Body recognises that it is unlawful to take into account anyone's gender, marital status, colour, race, nationality, ethnic or national origin, disability, religious beliefs, age or sexual orientation. Full consideration has been given to this during the formulation of this policy as it is the governors' aim that no-one at St Charles RC Primary school should suffer discrimination, either directly or indirectly, or harassment on any of these grounds.
