

Logging in to Google Classroom via an internet browser

<p>1. IMPORTANT: If you or anyone in your family have a personal Google account e.g. a Gmail account, please log out before trying to access your child's Google Classroom account.</p>	
<p>2. Open a web browser and go to https://www.rmunify.com/</p> <p>DO NOT SEARCH FOR GOOGLE CLASSROOM – it will not work. If you are asked for a sign in code – you have gone wrong and must start from the beginning of these instructions again.</p>	
<p>3. Sign in using your username and password</p> <p>***You must use the @stcharlesprimary.co.uk after your child's name***</p>	<p>Login details can be found on your email which was sent on Tuesday evening. Please ensure that you make a note of them at home and keep them in a safe place.</p>
<p>4. Select the Google Classroom Tile on the Launch Pad.</p>	

Logging in to Google Classroom via a smart phone or a tablet

Android devices	iOS devices (iPhones, iPods, and iPads)
<ol style="list-style-type: none"> 1. Open the Play Store app 2. Search for 'Google Classroom' and 'Google Meet' 3. Tap 'Google Classroom' 4. Tap 'Install' 5. Put in child's username and password 6. Once redirected to RMunify, use your username and password to log in AGAIN! 7. Click on the Class that says 2020-2021 	<ol style="list-style-type: none"> 1. Open the App Store app 2. Search for 'Google Classroom' and 'Google Meet' 3. Tap 'Google Classroom' 4. Tap 'Get' 5. Put in child's username and password 6. Once redirected to RMunify, use your username and password to log in AGAIN! 7. Click on the Class that says 2020-2021
