Introduction

Promoting British Values at St Charles R.C. Primary

At St Charles R.C. Primary School we value the diverse ethnic backgrounds of all pupils and families and undertake a variety of events and lessons to celebrate these. We have found this approach to be enriching for all parties as it teaches tolerance and respect for the differences in our community and the wider world. Underpinning all of this is a range of curriculum topics, which have strong links to the British Empire.

At St Charles these values are reinforced regularly and in the following ways:

Mutual Respect:

Part of our school ethos and behaviour policy has revolved around Core Values such as 'Respect', and pupils have been part of discussions and assemblies related to what this

means and how it is shown. The Golden Rules are followed by all the children in school. Posters around the school promote respect for others and this is reiterated through our classroom and learning rules, as well as our behaviour policy.

Democracy:

Democracy is high profile within the school. Pupils have the opportunity to have their voices heard through our School Council, Pupil Chaplains and Pupil questionnaires. The elections of school councillors, Head Boy and Girl and Team Leaders as well as newly introduced winner of the class Core Values Award each term are based solely on pupil votes. Our school behaviour policy involves Golden Time rewards, which the pupils decide upon.

The Rule of Law:

The importance of Laws, whether they be those that govern the class, the school, or the country, are consistently reinforced throughout regular school days, as well as when dealing with behaviour and through school collective worship. Children are taught the value and reasons behind laws, that they govern and protect us, the responsibilities that this involves and the consequences when laws are broken. Visits from authorities such as the Police, Fire Service etc. are regular parts of our calendar and help reinforce this message.

Tolerance of those of Different Faiths and Beliefs:

This is achieved through enhancing pupils understanding of their place in a culturally diverse society and by giving them opportunities to experience such diversity. Assemblies and discussions involving prejudices and prejudice-based bullying have been followed and supported by learning in R.E. and P.S.H.E. Members of different faiths or religions are encouraged to share their knowledge to enhance learning within classes and the school.

Individual Liberty:

Within school, children are actively encouraged to make choices, knowing that they are in a safe and supportive environment. As a school we educate and provide boundaries for young pupils to make choices safely, through of provision of a safe environment and empowering education. Children are encouraged to know, understand and exercise their rights and personal freedoms and advise how to exercise these safely, for example through our E-Safety and PSHE lessons. Whether it be through choice of challenge, of how they record, of participation in our numerous extra-curricular clubs and opportunities, pupils are given the freedom to make choices.

Equalities Statement:

St Charles RC Primary School is committed to valuing diversity and to equality of opportunity. We aim to create and promote an environment in which pupils, parents and staff are treated fairly and with respect, and feel able to contribute to the best of their abilities. The Governing Body recognises that it is unlawful to take into account anyone's gender, marital status, colour, race, nationality, ethnic or national origin, disability, religious beliefs, age or sexual orientation. Full consideration has been given to this during the

formulation of this policy as it is the governors' aim that no-one at St Charles RC Primary school should suffer discrimination, either directly or indirectly, or harassment on any of these grounds.
