Friday 15<sup>th</sup> September

Dear Parents and Carers,

In the Summer term, we were inspected against the new Catholic Schools Inspectorate framework for RE, this is a different framework from our last Catholic inspection. The inspection team met with children, parents, staff and governors. They observed lessons, assemblies and spent a long time looking at the children's work and the procedures that we have in place.

The inspectors were fair and their comments truly reflected our school and our community.

The head of the Catholic Schools Inspectorate sent a personal letter, commenting on our wonderful school.

*'Well done on this fantastic report. It was lovely to read about how all "are welcomed and feel embraced in a loving, Catholic, family community." I know how much hard work goes into school life and please pass on my thanks to all the staff for all they do. I was also moved by the impact of prayer at St Charles and how this is a special time for the whole school community. Keep up the great work.'*

Our RE CSI inspection report can be found [here](#) on our school website.

We're really proud that the inspectors spoke so highly of our school community and the work that we do here at St Charles.

If you wish to discuss any part of the inspection process or comments within the report, please ask to speak with me.

Yours sincerely

Mrs N Drake  
Headteacher
