Thursday 30th November 2023

Dear Parents and Carers,

I am excited to announce the final few staffing changes for this year.

Next week, Miss Buckland will increase her hours and be supporting the children in Year 5 full time.

After the Christmas holidays, Mrs Brown will be released from her classroom teaching duties in Year 5 to support the delivery of our new curriculum across school. She will be replaced by an experienced practitioner from another local Catholic primary school, Mrs Midgley, who will be teaching in Year 5 on a Monday, Tuesday and Wednesday.

Mrs Midgley has been working with the children in Year 6 on a Friday since her appointment last half term and is eager to introduce herself to the Year 5 children.

From January, I will be the named SENDCO in school, supported by Miss Mottram who works in Reception on a Friday. Miss Mottram is an experienced SENDCO and will be increasing her hours to offer her support during this time of transition, helping us to implement a new offer for children with SEND needs.

These new appointments will help to make our team broader and stronger and we are all excited to welcome them into their new posts.

Thanks for your support.

Yours sincerely

N Drake

Mrs N Drake
Headteacher
