

## World Book Day!

### World Book Day 2024

World Book Day is always a very special time at school. We value reading very highly at St Charles and we are all going to take part in this special day to celebrate the joy of books and reading.

This year the children throughout school are going to read and discuss the beautifully illustrated book, *Island* by Mark Janssen.

*Island* is a picture book which shows the family the wonders of life at sea. Colourful fish dart in the waves and birds swoop in the sky. *Island* life is full of the unexpected!

During the day we will celebrate the children's reading successes and they will be taking part in a range of different activities on the day to promote this. As part of the day we are asking for the children to come to school dressed up in ocean themed outfits on **Friday 1st March**.

We are also setting the children a creative challenge...to create a **story spoon**! Please can your child decorate a wooden spoon as a character from a story to share with their class. The story spoons will be put on display across school and we are looking forward to seeing your creations! We will send home a wooden spoon at the end of this week.

As always, each child will receive a World Book Day £1 token to be redeemed at a retailer of your choice.

We can't wait to celebrate our love of books, with your child on this day! If you have any questions then please speak to the class teacher.

Kind regards

Mrs Brown
