Parent Behaviour

Dear Parents and Carers,

I hope this letter finds you well. At St Charles RC Primary School, we are committed to maintaining a safe, respectful, and positive environment for all members of our school community, including students, parents, carers, and staff.

Recently, there have been some concerns regarding inappropriate behaviour on school premises, and I feel it is important to address this matter directly. Please be reminded that it is not acceptable to be aggressive or threatening towards others while on school property. We must all work together to foster a supportive atmosphere where children feel safe and valued.

It has also come to our attention that some parents and carers have attempted to address issues directly with other children. We ask that you do not confront or approach any child regarding incidents that may occur. If you have any concerns, please speak to a member of staff so we can handle the situation appropriately and in line with school policy.

Our staff are here to support your children and work through any issues they may face. We appreciate your cooperation in ensuring that St Charles RC Primary School remains a safe and welcoming place for everyone.

Thank you for your understanding and support. Please share this message with anyone who regularly brings or collects your children from school so that we can ensure the same standards of conduct are upheld by all.

Yours sincerely

Mrs Drake

Headteacher
